

## **Mike McDonald and Bill Polley Open Team Synergy Coatings - West Coast in Fresno, California**

**Fresno, CA - October 20** - Team Synergy Coatings announces the opening of another Licensed Application shop this time located in Fresno Ca. to apply our complete line of metallic ceramic coatings to the motor sports market in the State of California, Nevada, and Utah.

Mc Donald and Polley are already established in the Fresno area and are best known for their excellent work in automotive body repair, custom painting. The partners Mike McDonald and Wolfgang Poelly, want to expand their business into more Motor Sports related opportunities and contacted Team Synergy Coatings about an available Franchise.

Team Synergy Coatings is looking forward to working with Bill and Mike, Wolfgang's Emporium is a perfect fit with our other regional Licensed Applicators, our company marketing and service approach has been to establish Licensed Applicators in specific regions in North America and abroad, trained by Team Synergy Coating in the art of applying Metallic Ceramic Coatings with application equipment designed and built by Team Synergy Coatings to insure our customers coated engine parts remain rust free, provide a show quality finish, reduce engine compartment temperature, experience a horse power gain, add lubricity to moving parts for maximum life expectancy Our HyperShine™ finish comes with a unconditional 3 year no-nonsense warranty.

Team Synergy Coatings-West Coast is located at 2653 North Sunnyside Ave., Suite 101, Fresno Ca.93727.Ph; Bill Polley, 559-289-3055 and Mike, 559-363-2458.
