Team Synergy Racing participates in the Hemmings-Branson Vintage Car Rally for Autism.

CEO, George Tarbutton and lifetime friend Tom Wirth competed recently in a 42 Ford Tudor, "Old Warrior", in Branson Mo in support for recognition for Autism sponsored by Hemmings Motor News, organized by the Vintage Car Rally Association.

The event was a 5 day, time endurance rally covering 3 states in all kinds of weather. Each morning the cars would leave the parking lot of the new Hilton Hotel, located on the “Landing” in downtown Branson, compete during the day on a specific course set up by VCRA. This years rally in Branson was the first of us racers hope will be a continuing event year after year. Team Synergy Coatings Inc, one of the events associate sponsors thanks Hemmings Motor News the primary sponsor for the support they provided which made it possible for 45 teams to compete for charity. Also VCRA Rex Gardner, Vic Thompson and Charlie McKinney for a terrific job in arranging hotels, sponsored meals, laying out the course and the awards ceremony at the Dick Clark Theater.

Trophy's for the racers presented by Rex Gardner

This is what the event was all about, Rex Gardner's Grandson

Team Synergy Coatings Inc, introduced our new product line of Car Care Products including, Metal Polish, Finnish Protectant, Plastic Restoration Dressing and Head-lite Restoration Kit. Information on these and more Team synergy coatings products can be viewed on this Website, be sure to see the video clip on polishing the Branson cars.
